Kvadrat Patio (Category B) apart from its excellent technical features, also stands out for its soft touch. It has a subtle structure, which combines two coloured yarns in the warp and one in the weft. It features a fluorocarbon-free, environmentally-focused finish, which is water-repellent and fast-drying.

IMPORTANT:

Extra anti-corrosion treatment of stainless steel:

When placing furniture in location close to the **sea shore or covered chlored swimming pools** an extra anti-corrosion treatment is recommended. The high level of salt reduces the resistance to corrosion of stainless steel. Disregard of this recommendation voids the guarantee. **Extra anti-corrosion treatment supplement is +10%. (Only needed for brushed stainless steel) This treatment is not needed for powdercoated stainless steel or aluminium.**
