Description The endless variability of the Puro collection designed by Lucie Koldova has given rise to the new suspension light called Sparkle. This amazing lighting object shines with noble yet minimalistic geometry and constitutes the centrepiece of any space. The multiple tubes of matt opal or smoke grey glass radiate outward in diffuse light for a magical interior ambience and dynamic. Sparkle levitates in space and dominates its interior landscape. It is a light sculpture and the embodiment of positive energy. The Puro Sparkle comes in 3 sizes and the largest composition creates an amazing lighting object reaching almost a diameter of 2,5 m.
