

# PRODUCT INFORMATION SHEET

**Name** PRISMA PENDENT DOUBLE LARGE 1000

**Type** pendent lamp

**ID** PC1315

**Description** The dominant feature of the Prisma collection is an extravagant metal fixture with a distinctive finish. Classic handblown glass spheres are anchored to either one or both ends of a robust decagonal metal prism that lends the collection its name. The shape in combination with the striking surface reflect light at different and unexpected angles, like a prism. With a choice of three different elegant finishes – brushed steel, galvanized yellow zinc gloss, or galvanized yellow zinc matte – the light is a bold artistic object in the interior offering unique vertical, horizontal, and diagonal compositions with subtle colourful reflections. The collection consists of a horizontal pendent light with two dual glass spheres and a vertical pendent light with a single glass sphere, both of which hang from wire ropes. Another typological variant is an impressive floor light, a majestic light sculpture in the form of a robust upright decagon topped with a luminous glass sphere. The structured finish on the metal fixture is one of the defining traits of the collection, and together with transparent glass or grey smoke glass constitutes a jewel with which to adorn private interiors as well as hotels and restaurants.

**Technical description** The technologies applied in production follow in the centuries-old tradition and experience of master glassmakers. The precision crafting of handblown glass instils distinctive, enduring character and outstanding quality in all BROKIS products. The glass lampshades are formed from multiple layers of molten glass, each of which is scrutinized by the master glassmaker prior to being blown into the mould. The metal parts are made of high-grade steel plate. The zinc finishes are galvanized, which creates a textured surface, one of the defining features of the collection. The subtle, almost invisible welds are a testament to the superior craftsmanship of BROKIS lights.

## Glass Colour

transparent glass	A	CGC23
smoke grey - transparent glass	A	CGC516

## Glass surface

glossy surface	A	CGSU66
----------------	---	--------

## Body finish

Yellow zinc smooth	A	CCS2873
Yellow zinc sandblasted	A	CCS2885
Brushed steel lacquered	A	CCS2887

## Canopy finish

Yellow zinc smooth	A	CCSC2874
Yellow zinc sandblasted	A	CCSC2886
Brushed steel lacquered	A	CCSC2888

## Cable colour

coaxial cable - silver	A	CECL2772
------------------------	---	----------

## LED Source

24V, LED, 6W, 2700K, 683lm, RA90, DIM	A	LEDS2901
---------------------------------------	---	----------

## Dimmable version

non-dimmable version	A	CEDV1457
RF system - remote control version	A	CEDV1461
PWM signal	A	CEDV1459
1-10V	A	CEDV1460
DALI version	A	CEDV1458
AC phase-cut	A	CEDV1730
CASAMBI CBU-PWM4 - SURCHARGE	A	CEDV2854
